The Northeast Kansans for Nebraska chapter of the Nebraska Alumni Association has set up a student scholarship program for the sons and daughters of our chapter members or others who reside in Northeast Kansas who wish to attend the University of Nebraska, Lincoln (UNL).

The chapter awards two \$750 annual scholarships to UNL. The scholarship amount is matched by the University of Nebraska Foundation making the two individual scholarships worth \$1,500 per school year each.

The process to apply for the scholarship is as follows:

New students or those transferring to UNL:

4. You will get priority consideration by UNL financial aid if your family/parents are members of Northeast Kansans for Nebraska alumni chapter so make sure the membership is current.
